## Forest Avenue's policy regarding ideas and submissions from the public:

Want to share an idea with Forest Avenue? Read this first.

We love that the world is full of curious people who are constantly having ideas. We're lucky enough to have some of those people working here at Forest Avenue.

If you have an idea you'd like to share with us, we're impressed. We appreciate your passion.

However, we invest hugely in research and development, and experience has shown that the vast majority of ideas we're sent are partly or completely the same as ideas already created and explored by Forest Avenue.

Because of this, it is Forest Avenue policy not to accept any ideas or suggestions submitted by anyone outside of the company. This policy stands worldwide.

If you choose to ignore this policy or are not aware of it and share your idea with us, please know that the following rules will be applied, regardless of submission content, method, media and the response of any Forest Avenue employee:

- we will not be able to give you any feedback on your idea.
- you will automatically waive all legal rights to your idea. This means Forest Avenue will not pay any compensation, financial or otherwise, if any of our products or services are ever partly or completely the same, or similar to, your idea.
- we will not consider your idea to be confidential.
- we will not return any documents you send to us to explain your idea.

Still keen? This is the address you need. But by contacting us, you automatically agree to the above rules. And remember, we won't be able to reply.
